Ward No. 60, Jammu, India, 181121

### PROFESSIONAL SUMMARY

As a highly skilled Frontend Developer with 1 years of experience, I have a proven track record of delivering innovative and high-quality web applications. My biggest achievement has been designing and developing a responsive e-commerce platform. With a strong eye for detail and a passion for creating user-friendly interfaces, I excel in translating designs into functional and visually appealing websites. My best qualities include proficiency in HTML, CSS, JavaScript, and Bootstrap and React JS, along with the ability to work collaboratively in fast-paced environments. I am constantly seeking new challenges and opportunities to enhance my skills and contribute to the success of any organization.
